

REMARKS

Claims 1-16 are the only claims pending. Original claims 1-12 and 15 have been amended to eliminate informal "use of" terminology, to reduce filing fees by eliminating multiple dependency and to provide minor clarification.

The amendment to claim 1 is based on page 9, lines 1-3 of the specification as filed. In claims 9 and 10 it is self-evident that "Hal" represents the halide radical in the haloalkanes/haloaralkanes $R_1\text{Hal}$ and $R_2\text{Hal}$. Hence no new matter has been added.

Applicants aver that the claims are now in better form for examination. An Action on the merits of the claims is respectfully awaited. In the event that minor amendments will further prosecution, applicants request that the examiner contact the undersigned representative.

Respectfully submitted,

Kevin T. Mansfield
